

**DG Anthony's lapel badge** comprises four components:

an image of the Sydney Opera House - arguably the Sydney Opera House is the most well known icon in the Sydney metropolitan area in which District N5 resides

an image of a dragon - DG Anthony is an Australian of Chinese heritage. Individuals of Chinese heritage are commonly referred to as descendants of the dragon

In Chinese mythology, dragons are always in chase of fiery pearls - in this instance, the fiery pearl is the emblem of Lions Clubs International. This signifies N5 Lions led by DG Anthony are always led by the Lions spirit and strive to uphold what it stands for

The text string at the top portion of the pin reads "Serving in Dedication" - this is DG Anthony's theme for the 2014-15 Lions Year
